## Certificate of Currency

*The following cover applies across the policy for all premises:*

---

### Legal Liability

	Insured Amount
Public Liability	\$20,000,000
Property in care, custody and control	\$250,000
Products Liability (any one Period of Insurance)	\$20,000,000
Pollution (any one Period of Insurance)	\$20,000,000

*The following endorsements are active for this cover:*

#### **Exclusion of High Risk Premises**

We will not cover any claims for **legal liability** directly or indirectly arising out of or in connection with oil refineries, chemical refineries, shipyards, airports, railway stations, oilrigs, gas rigs, mines or quarries. We will not cover any claims for **legal liability** directly or indirectly arising out of or in connection with work on or around mainframe computers.

#### **Cutting, heating, welding or grinding precautions**

We will not cover any claims for **legal liability** directly or indirectly arising out of or in connection with cutting, heating, welding or grinding except where you have complied with the current Australian Standard AS1674.

#### **Underground services - Exclusion**

We will not cover any claims for **legal liability** directly or indirectly arising out of or in connection with **damage** to underground services unless you or a person acting on your behalf has confirmed with the relevant Authority, including but not limited to, Dial Before You Dig, the location of underground services before commencing work. We will not cover any claims for **legal liability** directly or indirectly arising out of or in connection with **damage to property** where such **property** consists of pipes or cables located underwater.

#### **Failure of alarms**

We will not cover any claims for **legal liability** directly or indirectly arising out of or in connection with the failure of any alarm to correctly perform it's intended function.
